ABS Angola Boundary Survey Commission Logistics

Introduction

These are not the papers of the Angola Boundary Survey Commission, but the papers of Head Constable McHugh of the South West Africa Police, officer in charge of transport and supplies for the Angola Boundary Survey. They therefore cover only the logistics of the commission. For the papers of the commission itself, see the fonds **KAB** as well as further information in **SWAA [2576-2578]**.

The papers consist of 11 items accommodated in one storage box and amount to 0,06 m storage space.
