Introduction

This accession was initially donated in 2006 by the Museums Association of Namibia (MAN), and later augmented by additional material.

It consists of internal reports of the MAN about workshops with regional museum initiatives, fact-finding missions, and advice for museum development, as well as work plans.

Restrictions apply:

Users of this material must obtain prior permission from the MAN.

The accession remains open for updating with new material.

Werner Hillebrecht, October 2015

Findaid 2/119
