Private Accession A.1013 Gammams Clubs (1926-1936)

Introduction

Provenance

These club records originate mostly from the Gammams Agricultural College, but the donor is not known; they were retrieved from an unlabelled box in unsorted storage at the National Archives in April 2013.

Description

The accession consists of ten books in one archival box.

The books give a picture of social life at the Gammams Agricultural College, with constitutions, rules, membership records, and above all the minuted contributions of debating sessions. The records are mostly in Afrikaans, but some are in German.

Book no.1 does not fit into the context of the Gammams College, as it was recorded at two farms in the Auob valley. Possibly it reflects a social network among Afrikaner farmers of that region.

Processing

No preservation effort was needed.

The individual items were indexed on the ACCPT database.
